

## HydraFacial

HydraFacial was created to provide the best skin of your life. The technology it uses is unique and so are the amazing results it achieves. After just one treatment you'll look and feel great, instantly. Plus the more treatments you have the healthier your skin will become.

We have decided to reduce the amount of information on our treatment list, in an effort to reduce the amount of paper we use and do our bit for the environment. More information is available on our website or please ask if you would like to know more. Please note we have different charges for different therapists, the prices on this list are for treatments booked with our senior therapists (Megan, Simone, Sarah & Lisa). Treatments with Lizzie/Nicola will be charged at an additional premium of approximately 10% and treatments with Leanne/Emma will be approximately 10% less.
